INDEPENDENT AUDITOR'S REPORT

To the Members of Saskatoon Family Young Men's Christian Association:

I have audited the accompanying financial statements of Saskatoon Family Young Men's Christian Association which comprise the statement of financial position as at August 31, 2017 and the statements of operations, changes in net assets and cash flows, and schedules of receipts and disbursements for the year then ended, and a summary of significant accounting policies and other explanatory information.

Organization's responsibility for the Financial Statements

The Management is responsible for the preparation and fair presentation of these Financial Statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with Canadian auditing standards. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

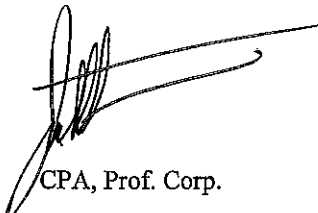

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements present fairly, in all material respects, the financial position of Saskatoon Family Young Men's Christian Association as at August 31, 2017 and its financial performance for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

SASKATOON FAMILY YOUNG MEN'S CHRISTIAN ASSOCIATION
NOTES TO THE FINANCIAL STATEMENTS
AS AT AUGUST 31, 2017

1. PURPOSE OF THE ORGANIZATION

The Saskatoon Family YMCA is a volunteer driven organization, offering opportunities for health through personal growth and service to others. In our diverse community they are committed to all. YMCA of Saskatoon is a registered charity and as such, may issue tax-deductible receipts to donors and is exempt from income tax under 149(1)(f) of the Income Tax Act.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements of the Association have been prepared in accordance with Canadian accounting standards for not-for-profit organizations (ASNPO).

Use of Estimates

When preparing financial statements according to ASNPO, the Association makes estimates and assumptions relating to:

- Reported amounts of revenue and expenses;
- Reported amounts of assets and liabilities; and
- Disclosure of contingent assets and liabilities.

Management's assumptions are based on a number of factors, including historical experience, current events and actions that the organization may undertake in the future, and other assumptions that we believe are reasonable under the circumstances. Actual results could differ from those estimates under different conditions and assumptions. Estimates were used when accounting for certain items, such as the useful lives of capital assets and impairment of long-lived assets.

Cash and Cash Equivalents

For the purposes of these financial statements, cash and cash equivalents is composed strictly of cash, plus outstanding deposits, less outstanding cheques.

Investments

Investments consist of investments with the Saskatoon Community Foundation, and RBC GICs and are reported at the fair market value. The investments are redeemable on 30 days notice.

Accounts Receivable

Accounts receivable are shown net of allowance for doubtful accounts, if any.

Tangible Capital Assets

Tangible capital assets are stated at cost less accumulated amortization. Contributed tangible capital assets are recorded at fair value at the date of contribution. Tangible capital assets are amortized over their estimated useful lives at the following rates and methods:

Building	- 4% declining balance
Camp equipment	- 20% straight line
Computer hardware	- 25% straight line
Furniture and equipment	- 20% straight line
Leasehold improvements	- 25% straight line

In the year of acquisition, only one-half of the stated rate is applied to the additions. The Association regularly reviews its tangible capital assets to eliminate obsolete items.

The accompanying notes are an integral part of these financial statements.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

Intangible Capital Assets

Intangible capital assets are stated at cost less accumulated amortization. Contributed intangible capital assets are recorded at fair value at the date of contribution. Intangible capital assets are amortized over their estimated useful lives at the following rates and methods:

Computer software	- 25% straight line
Network and website	- 20% straight line

In the year of acquisition, only one-half of the stated rate is applied to the additions. The Association regularly reviews its intangible capital assets to eliminate obsolete items.

Revenue Recognition and Deferred Revenue

Saskatoon Family YMCA follows the deferral method of accounting for revenues:

Restricted revenue is recognized in the year in which the related expenses are incurred. Unrestricted revenue, including unrestricted donations, is recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Pledges related to capital campaigns are recognized when the above criteria are met.

Membership fees are recognized when paid, with the exception of annual memberships paid in advance. Memberships paid in advance are initially recorded as deferred revenue and recognized as revenue over the term of the membership.

Program fees and service revenues are recorded when the related activities have commenced.

Government grants are recorded as deferred revenue if the associated programs the funds were intended to support have not yet taken place. Otherwise, they are recorded as income.

Investment income is recognized when earned.

Grants and donations received for capital asset acquisitions are recognized as revenue on the income statement under the matching principal in correlation with the amortization of the related assets.

Donated Materials and Services

Donated materials and services are recorded at fair value, when fair value can be reasonably estimated and when the materials and services are normally purchased.

Saskatoon Family YMCA is dependent on the voluntary services of many individuals to the activities of the Association. Since these services are not normally purchased and because of the difficulty in determining their fair value, no amount has been reflected in these financial statements for volunteer services.

The accompanying notes are an integral part of these financial statements.

	<u>\$ 34,228</u>	<u>\$ 23,124</u>

Canadian accounting standards for not-for-profit organizations require that loans that the lender can require to be repaid on demand be classified as current liabilities. The Association does not believe the demand features of the callable debt will be exercised in the current period. Assuming payment of callable debt is not demanded, regular principal payments required on all callable debt for the next five years are due as follows:

2018	\$	39,278

10. DEFERRED BUILDING AND EQUIPMENT CAPITAL CONTRIBUTIONS

The Association has an ongoing capital campaign to raise money for various capital expenditures including capital contributions, major refurbishments and equipment purchases. Deferred building and equipment capital contributions balance represent the balance of money raised which has not yet been spent on such expenditures.

The changes in deferred building and equipment capital contributions are as follows:

	2017	2016
Balance, beginning of year	\$ 0	\$ 1,003
Capital grants and contributions received during the year	81,127	12,189
Capital expenditures	<u>(81,127)</u>	<u>(13,192)</u>

NOTES TO THE FINANCIAL STATEMENTS
AS AT AUGUST 31, 2017

15. COMMITMENTS

The Association rents daycare space under a long term operating lease that expires December 31, 2018. The annual rent is \$26,400 and future minimum lease payments to the expiry date are \$35,200. The Association is responsible for the common costs associated with the daycare facility which is excluded from the minimum annual payment.

On March 21, 2017 the Association was awarded the contract to operate a ninety space daycare located in the new Martensville elementary school. The facility opened as scheduled on September 5, 2017. The Association is under a long term operating lease requiring a yearly payment of \$1.

16. SUBSEQUENT EVENTS

In September 2017, the Association received a \$448,000 estate donation. An additional \$15,000 is expected in January 2018. Proceeds are available for program and general expenses.

Between September 1 and November 17, 2017 the Association received pledges of funding over the next two years totaling \$365,000. These funds are available for program and general expenses.

17. FINANCIAL RISK AND CONCENTRATION OF RISK

The Association, as part of its operations, carries a number of financial instruments. It is the board of director's opinion that the Association is not exposed to significant interest or credit risk arising from these financial instruments except as otherwise disclosed.

Liquidity Risk

Liquidity risk is the risk that the Association will encounter difficulty in meeting obligations associated with financial liabilities. The Association enters into transactions to purchase goods and services on credit, borrow funds from creditors, etc. for which repayment is required at various maturity dates. Liquidity is measured by reviewing the Association's future net cash flows for the possibility of a negative cash flow. The Association manages the liquidity risk resulting from its accounts payable by investing in liquid assets.

Credit Risk

Financial instruments that potentially subject the Association to concentrations of credit risk consist of trade receivables. The maximum credit risk exposure is \$32,266 (2016 - \$21,398). The Association believes that there is minimal risk associated with the collection of these amounts as it performs regular credit assessments and provides allowances for potentially uncorrectable accounts.

Interest Rate Risk

Interest rate risk is the risk that the value of a financial instrument might be adversely affected by a change in the interest rates. Changes in market interest rates may have an effect on the cash flows associated with some financial assets and liabilities, known as cash flow risk, and on the fair value of other financial assets or liabilities, known as price risk. In seeking to minimize the risks from interest rate fluctuations, the Association manages exposure through investing in short-term instruments.

18. COMPARATIVE INFORMATION

Certain comparative information has been reclassified to conform with the financial statement presentation.

The accompanying notes are an integral part of these financial statements.
