YMCA Annual Caribou Classic back in person for 2022

Saskatoon, SK: The YMCA of Saskatoon is excited to announce the 42nd Annual YMCA of Saskatoon Caribou Classic. After celebrating virtually at last year's event, we are excited to be reuniting in person in 2022.

This year, we are encouraging the Saskatoon community to take advantage of our at-home exercise programs Y@home (free) or Y@home+ (for members). Do something active for YOU and then join us at the Sheraton Top of the Inn on January 1, 2022. Your paid ticket will give you access to a family-friendly get-together, buffet and a surprise guest speaker.

We have limited tickets available for guests of all ages. Registration is now open and closes on December 10th. To register and secure your spot, contact our Member Services team at 306-651-7515. All ticketed guests will receive a limited-edition Caribou 2022 hand towel as a thank you from the YMCA.

We want everyone to start the new year in the best way possible by staying connected and improving mental health along with physical health. We encourage anyone who is facing financial difficulty in purchasing tickets to reach out directly to Serena Dallas (serena.dallas@ymcasaskatoon.org).

The YMCA builds strong communities, connects people when they need it most, and offers programs and services to enable our communities to live healthy, active lives. The Caribou Classic is just an example of our focus and dedication to the community.

As a charity, the Y needs help, now more than ever, to continue to serve our communities with innovative and necessary initiatives. Visit www.ymcasaskatoon.org/donate to make a donation and help the YMCA continue to respond to the needs of our community.
